Griffins

Highlights:

- ❖ Diverse student population enhances school life and actively contributes to curricular and extracurricular programs
- ❖ Community partnerships with Brampton Board of Trade and the United Achievers' Club of Brampton
- ❖ Opportunities for all students to develop leadership skills through academic, arts and athletic programs
- ❖ Community members bring their children to the school's unique play group, which is offered three mornings a week by child development and parenting students
- ❖ Partnered with The Learning Partnership through the school's Change Your Future program

More about Central Peel:

Central Peel Secondary School prides itself on its wide variety of programs and a dedicated and highly qualified staff who aim to provide the opportunity for each student to maximize his or her potential. Teachers are committed to meeting the needs of each student in a caring, equitable and understanding environment.

The school encourages all students to develop respect for individual uniqueness and a positive self-image. Staff also assist students in developing leadership skills that will maximize their potential as creative independent learners and thinkers, and active citizens in the community.

Central Peel offers a new Cosmetology and Personal Services program of specific interest to students considering a career in aesthetics. Central Peel remains committed to providing exciting new learning opportunities for students to help bridge the school-to-work transition.

For students on the pathway to post-secondary education, Central Peel continues to offer a full selection of college- and university-bound courses and co-curricular experiences to help students attain their educational, career and personal goals.
