More about Fletcher's Meadow:

Fletcher's Meadow Secondary School is located in the northwest corner of Brampton near the Brampton-Caledon border and serves a new and growing community.

Students are encouraged to become involved in all aspects of community development along with their pursuit of excellence in academics and co-curricular activities in the school.

Integration of information technology into the classroom is a focus for all staff and students, and computer access is available in all teaching areas of the school. The school supports alternative learning experiences for students through the Credit Resource Centre. Here students work independently in a supportive atmosphere. In addition, Fletcher's Meadow offers a number of full-day and half-day programs such as alternative character education, childcare, law enforcement and public service, yearbook, manufacturing and director's craft.

The staff of Fletcher's Meadow are committed to working with students and the community as they strive to realize the school's mission,
