More about Sandalwood Heights:

Sandalwood Heights S.S. will be entering its second year of operation in 2008/09. "Personalized Pathways equal Unlimited Opportunities" is the mission of the school with a focus on equal opportunities for students in the workplace, college, apprenticeship and university destination pathways. The Ministry of Education approved Specialist High Skills Major program (SHSM) will feature student pathways in industry sectors including: manufacturing, business, the environment, video production and hospitality and tourism. Specific details regarding course packages for the SHSM program are available from the counseling office at the school. School partnerships include Humber College, Ryerson University, Magna International, the Region of Peel, Apple Computers, Magnus Inc., and the Ontario Culinary Institute and will provide unique cooperative education experiences for Sandalwood students. The school will also be a regional teacher education site for the Faculty of Education of York University. A diverse extracurricular program will focus on the needs of students in the areas of athletics and clubs.
